

### Main

|                           |           |
|---------------------------|-----------|
| Range of product          | Thorsman  |
| Product or component type | Drill bit |
| Device short name         | THB       |
| Quantity per set          | Set of 1  |

### Complementary

|                       |   |
|-----------------------|---|
| Product compatibility | Hammer drilling machine                                 |
| Length                | 160 mm  |
| Drilling depth        | 100 mm  |
| Drilling diameter     | 8 mm  |
| Material              | Tungsten carbide : tip<br>Chrome vanadium steel : shaft |

### Environment

|           |                 |
|-----------|-----------------|
| Standards | DIN 50049-3.1 A |
|-----------|-----------------|

### Contractual warranty

|                 |           |
|-----------------|-----------|
| Warranty period | 18 months |
|-----------------|-----------|
