

Main

Range	Compact
Range of product	Compact NS100...630
Device short name	MX
Product or component type	Voltage release
Device application	Control
Range compatibility	Compact NSX Compact NS
Voltage release type	Shunt trip release
[Uc] control circuit voltage	28 V DC

Complementary

Control signal type	Impulse
Threshold tripping voltage	18...32 V - during opening time
Supply inrush power	15 W
Mounting mode	Fixed
Response time	< 50 ms
Auxiliary connection terminal	Screw terminal 0...1.5 mm ²
