

### Main

Range	Defem
Product or component type	Mounting net
Quantity per set	Set of 1

### Complementary

Device short name	B2581
Material	Steel, electro-galvanized
Atmospheric-corrosivity category	C1
Product destination	19" frame
Length	1900 mm
Width	185 mm
Product weight	180 kg / set of 100

### Environment

Environmental characteristic	For heated facility with low exposure to corrosion, such as hotels and offices
