

### Main

|                             |                     |
|-----------------------------|---------------------|
| Range of product            | Thorsman            |
| Product name                | Thorsman INKA       |
| Product or component type   | External corner     |
| Cabling installation system | Trunking            |
| Provided equipment          | Front cover         |
| Colour tint                 | White NCS 0402-B91G |
| Quantity per set            | Set of 1            |

### Complementary

|                    |                         |
|--------------------|-------------------------|
| Trunking material  | Aluminium               |
| Trunking dimension | 123 x 72 mm             |
| Material           | Aluminium powder coated |
| Length             | 200 mm                  |
| Height             | 123 mm                  |
| Width              | 200 mm                  |

### Environment

|                                       |                                   |
|---------------------------------------|-----------------------------------|
| Directives                            | 93/68/EEC - low voltage directive |
| Standards                             | EN 50085-1                        |
| Ambient air temperature for operation | -20...60 °C                       |
| IP degree of protection               | IP20                              |

### Contractual warranty

|                 |           |
|-----------------|-----------|
| Warranty period | 18 months |
