

Main

Range of product	Stago
Product or component type	Cable ladder
Device short name	LB4000
Cable support type	High side
Environmental characteristic	For partly outdoor environment with low exposure to corrosion, such as ware-houses and parking garages

Complementary

Type of rung	C-profile
Fixation rung	Welded
Rung dual spacing	400 mm
Fixing mode	By screw
Material	Steel, pre-galvanized
Atmospheric-corrosivity category	C2
Thickness	1 mm
Perforation location	Side perforation
Height	100 mm
Width	600 mm
Length	3000 mm
Product weight	3.07 kg / 100 m
