

Main

Range	PowerLogic
Product or component type	Whip antenna
Accessory / separate part category	Communication accessory

Complementary

Bandwidth	169 MHz
Antenna gain	0 dBi
Range compatibility	PowerLogic WT4200
Electrical connection	Type N, cable 5 m
Kit composition	Bracket Antenna
Type of cable	RG-58 cable
Average impedance	50 Ohm
Colour	Black
Material	Stainless steel Steel with brass plating
Length	1485 mm
Product weight	250 g

Environment

Ambient air temperature for operation	-10...40 °C
