

# Product data sheet

## Characteristics

# MTN5761-6050

Room temperature ctrler 24 V w. switch & cen.pl.,  
nickel metallic, System Design

### Main

|                           |                           |
|---------------------------|---------------------------|
| Range of product          | Merten System Design      |
| Product or component type | Thermostat                |
| Product destination       | Room                      |
| Device presentation       | Insert with central plate |

### Complementary

|                               |  |
|-------------------------------|--|
| Function available            | With temperature reduction<br>With thermal feedback<br>With bimetal sensor |
| Device mounting               | Flush  |
| Fixing mode                   | By screws  |
| [In] rated current            | 10 A   |
| Measurement temperature       | 5...30 °C  |
| Hysteresis                    | 0.5 K  |
| Contacts type and composition | 1 NO   |
| Number of terminals           | 8 screwless terminals  |
| Material                      | Metal central plate  |
| Colour tint                   | Nickel metallic  |
| Surface treatment             | Varnished  |
| Height                        | 71 mm  |
| Width                         | 71 mm  |
| Depth                         | 47 mm  |
| Product compatibility         | To be completed with System Design frame                                   |

### Environment

|                         |      |
|-------------------------|------|
| IP degree of protection | IP20 |
|-------------------------|------|
